*DISCLAIMER: Hypnosis is not intended to cure any special condition. Yuling Chansard/Apryl Lacina make absolutely no claims of a cure for any disease. Individual results may vary. Each session is unique and its success depends on your cooperation and faith in the process.

1. I am willing to be guided through relaxation and hypnosis by my hypnotist. I am aware that these modalities are spiritual in nature. It is my responsibility to consult my medical doctor about any changes in my condition and medication.
2. I understand these modalities are not substitutes for regular medical care. I have been advised to consult my medical doctor for any old, new or existing physical conditions.
3. I understand that being hypnotized is not being asleep. During a deep hypnotic trance, I can open my eyes, laugh, carry on a conversation and be aware of people or happenings around me. I can even have the thought that I'm not hypnotized. However, when I allow those thoughts that come to my mind to flow freely as the hypnotist speaks to me, I will relax and remember forgotten events in this life or a past life.
4. I understand that change is completely my own responsibility. I understand all healing is done by my Subconscious on my behalf and that my hypnotist is only a facilitator guiding me through the process. It is my responsibility to be open and honest, provide an accurate feedback and be forthcoming with details and information that may help me achieve the best outcomes.
5. I understand that our session will be digitally recorded for my use later. I also understand that in these types of metaphysical sessions, the energy in the room can affect the equipment and recording resulting in static or blank recordings.
6. I understand that in hypnosis sessions, information often comes through that benefits others as well. I agree to allow my hypnotist to share this information and stories either through audio/video or in writing, provided that my personal information is not revealed.

I am of legal age and understand I am entering into a co-creative agreement of my own free will. I accept that I am a willing participant in this co-creation that will employ hypnotic techniques and regression by Yuling Chansard/Apryl Lacina. Therefore, I do hereby release and discharge Yuling Chansard/Apryl Lacina from all claims of damages, copyright, demands of action whatsoever in any manner arising from or growing out of my participation. I have read and understand this Client Information and Agreement.
